

We deliver cybersecurity, RMF compliance, system integration, and operations support that keep mission-critical systems secure and running. Our proven approach strengthens government and private sector environments against evolving threats.

## CORE CAPABILITIES

### CYBERSECURITY & RISK MANAGEMENT

- RMF Implementation & Assessment
- FedRAMP Authorization Support
- Vulnerability Assessment / Penetration Testing
- Incident Response & Forensics
- Third Party Risk Management Programs
- Governance, Risk & Compliance Platforms

### SYSTEMS INTEGRATION & IT SERVICES

- Network Operations Center (NOC) Design
- Data Center Migration & Modernization
- Cloud Architecture (AWS, Azure, GovCloud)
- Physical Access Control Systems (PACS)
- CCTV & Surveillance Integration
- Facility Management & Security Modernization

### TRAINING & WORKFORCE DEVELOPMENT

- Cybersecurity Curriculum Development
- Virtual & On-Site Technical Training
- Information Assurance (IA) Program Support
- Internship & Fellowship Placement Programs
- Academic Partnership Management

## TECHNICAL CERTIFICATIONS

#### Security:

CISSP, CCSP, CASP+, Security+, CMMC-RPA, GRCP

#### Infrastructure:

MCSE/MCSA 2012/2016, MCSA WIN 10, CCNA, VMware VCP 6.5

#### Management:

PMP, ITIL, Six Sigma

#### Platforms:

Splunk, Nessus, Rapid7, ServiceNow, Archer GRC

## CERTIFICATIONS & REGISTRATIONS

## KEY DIFFERENTIATORS

**40+ Years** Combined DoD facility maintenance & cybersecurity experience

**100% Success Rate** Obtaining ATOs for on-premise and cloud environments

**Enterprise, AL Location** Adjacent to U.S. Army Aviation Command headquarters

**Academic Partnerships** Direct pipeline from 6 regional IA/CIS programs

## PAST PERFORMANCE

### U.S. Army Combat Readiness Center

- Cyber Security & RMF Support: Full NIST 800-53 control implementation
- Facility Management: 24/7 operations, maintenance, security
- Cloud Migration: On-premise to AWS GovCloud transition
- Value:** \$2.3M contract, 18-month performance period

### Carr, Riggs & Ingram CPAs

- Built Third Party Vendor Management System
- Integrated risk scoring, automated workflows
- 500+ vendor assessments processed annually

### Purvis Farms

- Complete PACS/CCTV security system deployment
- Integration with existing farm operations systems
- 24/7 monitoring & maintenance contract
